

Important Information for Imperial Beach

We are a 45 unit condo, sand colored at 714 Seacoast Drive. Directly in front of the complex is the Surf Hut Shop. Go left of the Surf Hut up a flight of open stairs to enter the complex. Then proceed to #105 where you will find in the kitchen additional keys including the pool/work-out room key and the garage door opener. Park your car in the spot for #105 (one on the right side and one on the left side, upon entering the garage.) After you've settled in, please give me a call at 619.253.2363, and I will answer any questions you may have. This procedure allows you to check in at your convenience any time after 3pm. One of the keys opened all the outside doors. It also opens the elevator in the garage by turning the key one quarter to the left or right.
